Matchbox Cars

Request from Preps (Just in case you missed it last term)

Just a plea from the Preps...

PLEASE if your kids have had enough of or are way too mature for their matchbox cars, (and they are cluttering up the house), let the Preps help you out!!!

We use to have two massive tubs full, thanks to past students, but for some reason they have dwindled to about 20! Help!

You could always try the guilt trip... "You loved playing with the cars when you were in Prep... and you hardly ever play with them anymore... Soooo! Or maybe there's a chocolate frog in it! (we didn't say that!!), and you'll get to unclutter the house!

Thanks for your help in advance.

From the amazing, brilliant, clever, creative, car less Preps!
