School Administration

RATs

RATs are available from the school office.

Working with Children Check & Parent Guidelines

All volunteers and helpers in schools must hold a current Working with Children Check, this check is free and applications can be made via this link. <https://www.workingwithchildren.vic.gov.au> and read & sign the Parent Guidelines. If you have any questions please contact the school office.

Melbourne Cup Weekend

On Monday 31 October, we have a School Council approved Curriculum Day—no students at school. Tuesday 1st November is a Public Holiday.

Clean Up Days

Please note that the last two days of school fall on Monday 19th and Tuesday 20th of December (1.30pm finish last day of school). Given that many of our families will be finishing up on the Friday before to start the Christmas festivities, the last two days of school will be out of uniform—clean up days. If your child will be attending on these two days can you please ensure that they are in “old clothes”.

If you would prefer that your child works on curriculum while at school on these days, that can also be arranged. Please get in touch with the classroom teacher to organise.

Students in classrooms

This is just a little reminder that students can not enter the Junior or Senior building classrooms until 8.45am-8.50am at the earliest.

Research Primary School — The Update

Community, Confidence, Ambition and Respect.

!!! WORKING BEE - SUNDAY 23rd OCTOBER - THIS SUNDAY !!!

Are there any other volunteers out there ? The plan is to meet at the school around 9am.

There are a few suggested small jobs but generally we will mostly be weeding, pruning and tending to gardens etc.

A local community group has donated \$200 of tube stock which we are planning on creating a small garden school side of the sign on main road, and there will be a delivery of mulch to spread on the day.

Please bring along a hat and gardening gloves/ tools if you have some. I will try and bring some spare garden tools etc.

I'm going to bring along a BBQ to cook lunch with some good old "sausages in bread" and a few cool soft drinks in an esky. If there is anything specific you want to bring along due to dietary preferences feel free to do so. Hopefully we can make it an enjoyable day with an opportunity to get to know one another, with some improvement to our fabulous little school.

All children/ family helpers are of course welcome on the day.

PFC News

On Wednesday, 12 October, Research Primary School parents & friend community (PFC) met for the first time in Term 4. I will be continuing as President as we move forward.

We have had a successful Term 3 with over \$1200 raised from footy lunch order and appreciation stall. Thank you to everyone who helped and made purchases.

Term 4 is going to be a busy term with three fundraising events :

- **Mangoes** order delivery will be early to mid December. Orders closed this afternoon and once we have deliver confirmed we will be in contact to arrange collection.
- Saturday 26th November will be The **Victorian State Election** . We are seeking volunteers for **BBQ and Cake stall** shifts as well as a Cake stall coordinator. The first shift will be 3hours for set up and cooking from 7am-10am and then in 2 hour shifts until sold out. Please email me directly on kimtemple75@gmail.com or contact the school office, who will pass your details on.
- The final fundraiser is the **Christmas Raffle**. We already have donations from Fondata 1872, Missing Gorilla. Skaterz and Micky's Fitness. If families are in a position to donate vouchers they can be left at the office and closer to the date we will be asking for hamper donations. Tickets will be purchased via Trybooking again.

Thanks for all the support this year.

Kim Temple, PFC President

Thank you – Fete Committee

OSHCLUB News

We are back with another Term filled with super fun activities to do at OSHClub! Our session operates between 7am to 8:45am and 3:30pm to 6pm everyday where we get our hands messy creating arts and crafts projects, conduct experiments, bake yummy foods, get involved in outdoor activities and participate in selected clubs chosen by children. For instance, our chosen club for this term is called 'A Taste of Europe' where children will not only get the opportunity to make their own pasta and waffles, but will also be able to taste many delicacies from some of the most popular European cities! Our club will begin in Week 4 (Friday 28 October) and will run every Friday during our After School Care session, so don't forget to book your child/ren in for those days ☺

It's always worth registering your child with OSHClub, as it's free to register and when you get caught out it is easy to make a booking. <https://www.oshclub.com.au/new-to-oshclub>

Check out the flyer below to see what we have planned for each week!

A TASTE OF EUROPE

We may not be among the thousands enjoying a European summer, but you can let your taste-buds jet off on an adventure as you make and taste delicacies from some of the most popular European cities. Roll your pasta, dip your pita, and shape your croissants on this cooking adventure! Who will you bring along with you?
