Why do we want your feedback?

PwC has been asked by Department of Training and Education to evaluate the Out of School Hours Care (OSHC) establishment grants initiative. This initiative meant that your school and OSHC received funding for its set-up.

We want your feedback about:

- How the grants have impacted your school and/or OSHC service
- How the establishment of an OSHC services has affected your child and your family.

This will help us understand whether the program has been effective, and what future support for OSHC should look like.

How can you give feedback?

Scan the QR code

- Complete our survey
- It only takes 15 – 20 minutes
- The survey is open from **13 March 2023** to **24 April 2023**
