SCHOOL ADMINISTRATION

Enrolling your prep for 2024

An extract from DET Foundation (Prep) 2024 Enrolment information

[Apply now to enrol your child in Foundation \(Prep\) for 2024](#)

The Department of Education has released a new statewide timeline for enrolling in Foundation (Prep) for the 2024 school year.

If you have a child starting primary school in 2024, it's time to enrol. Make sure to submit your enrolment application by **Friday 28 July 2023**.

If you are enrolling the sibling of a student at our school for Foundation in 2024, and both children will be attending our school at the same time, your child is prioritised for a place at our school as per the department's Placement Policy.

It is important to follow the statewide timeline to enrol your child in Foundation. Enrolling your child in line with the timelines allows us to plan our classrooms, staffing and transition activities and ensures your child has the best start to school.

For more information, please read about when and how to enrol your child in Foundation at vic.gov.au/enrolling-foundation-prep.

If you are seeking to enrol your child into Foundation next year, please contact our school office on 03 9437 1917 or send a request to research.ps@education.vic.gov.au

RPS in 2024

Due to the changes with the enrolling preps timeline for 2024, we have started looking at our numbers earlier than in previous years. If you are considering alternative school arrangements or moving in 2024 (except for our current Year 6's) please inform the school office as soon as possible.

SPORT NEWS

District athletics

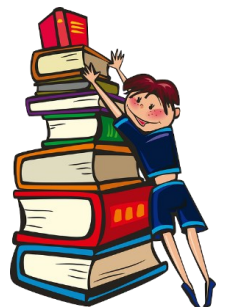

The Eltham District Athletics event is just around the corner! On Friday, 28th July, the action will unfold at Tom Kelly Athletics Track in Doncaster. Research Primary School is gearing up for the event and will be proudly represented by a team of enthusiastic children from years 3 to 6. Let's all wish them the best of luck in their endeavours!

To make the day even more successful, we kindly request a **parent helper** to assist Mr. Blackford in running the discus event., please contact the office. Your support will be greatly appreciated! Go Research! **Mr O**

LIBRARY NEWS

In the beautiful new library space we have had a focus on choosing 'good fit books' and independent reading. Each class has set a personal best time for reading independently and we will continue to improve each library session. It is amazing to see so many students enjoying borrowing books and getting into the routine of making sure they are returned. So that they can borrow the next exciting read that is!! Something that has stood out to me so far this term is the brilliant discussions in the year 1/2 library sessions. We have been looking at books by the author Oliver Jeffers linking in with the author studies they are doing in the classroom. I am continuously blown away by the thoughts and ideas that our wonderful young people come up with. Such a pleasure to teach such fabulous young minds.

SCIENCE NEWS

In science this term we are focusing on Earth and Space science. To start Term 3, in the early years we experimented with a 'cloud in a jar' when exploring rainfall and we have moved onto exploring day and night. In the senior years we are focusing on space through star constellations and gravity. The 5/6 students will begin a mini project on famous astronauts in the coming weeks. Students have all been excited and engaged, eager to investigate and explore what learning experiences Earth and Space science has to offer. I am looking forward to seeing these superstars delve into their learning journeys for the rest of this awesome topic!

A Big "PJ-Thank You" and Compost-ulations!

[This Photo](#) by Unknown Author is

We want to extend a BIG thank you to all our students and their families for their enthusiastic participation and overwhelming support in our PJ dress up day. Thanks to your amazing efforts, we managed to raise a whopping **\$220.70!!!!**

With the funds raised, we're excited to announce that our Green Team will be taking a big step towards sustainability by setting up a composting system in our school. It's incredible to witness how a bit of fun and collaboration can lead to such positive change for our school environment.

Stay tuned for updates on the composting project and other exciting initiatives from our Green Team. Let's continue to work together, learn together, and grow together!

Thank you RPS, you all rock!

Music Bingo—Saturday 5 August

Our fun night out for the parents and friends, while raising a little bit of money at the same time, **MUSIC BINGO**, (it's not trivia) is all planned. *You don't need to know all about music you just have to bring your fun pants and be ready to enjoy a good night.* It's just like bingo but without numbers. First to fill their page wins! Easy!

There will be prizes on the night, raffle and some silly games to boot (scoot) - get it, boot scoot...haha.

It will be held at the **Research Junior Football Club** rooms, who will open the bar for us on the night, so we can all (most of us) enjoy a night out and walk home safely...

Book in your baby sitters now!

Come as a group, grab a table and play as an individual

MUSIC BINGO, It's not trivia—you do not need to be a music genius

Any questions, or for some prize donations please contact **Kristy - 0402 467 484**
