SCHOOL ADMINISTRATION

Enrolling your prep for 2024

An extract from DET Foundation (Prep) 2024 Enrolment information

[Apply now to enrol your child in Foundation \(Prep\) for 2024](#)

The Department of Education has released a new statewide timeline for enrolling in Foundation (Prep) for the 2024 school year.

If you have a child starting primary school in 2024, it's time to enrol. Make sure to submit your enrolment application by **Friday 28 July 2023**.

If you are enrolling the sibling of a student at our school for Foundation in 2024, and both children will be attending our school at the same time, your child is prioritised for a place at our school as per the department's Placement Policy.

It is important to follow the statewide timeline to enrol your child in Foundation. Enrolling your child in line with the timelines allows us to plan our classrooms, staffing and transition activities and ensures your child has the best start to school.

For more information, please read about when and how to enrol your child in Foundation at vic.gov.au/enrolling-foundation-prep.

If you are seeking to enrol your child into Foundation next year, please contact our school office on 03 9437 1917 or send a request to research.ps@education.vic.gov.au

Family Statements

We still have some outstanding term 2 excursions and incursions payments and we, once again, apologise for sending the information out late in the term. The activities included in these charges have taken place and payment is required.

Yesterday we sent home family statements—these can be paid via compass or direct into our new Commonwealth Bank Account. Thank you.

Sport News

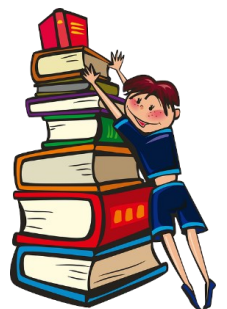

On Thursday 22th June our Year 3-6s headed off to Willinda Park for RPS athletics day. Thankfully the weather was clear and it wasn't too cold. The children competed in discus, shot put, high jump, hurdles and various running races. I was extremely pleased by the wonderful attitude and effort I witnessed all day. At the starting line I heard several children state how nervous they were, but they were going to give it a go anyway!

The students supported each other and did themselves proud. A huge thank to our parent helpers on the day, well done to the teachers for running the events and congratulations to our students for making it a fantastic day. With the tight turnaround of the school holidays, I will be announcing the team we will be taking to district athletics early next term. Congratulations to **Green House** for finishing first overall! Mr O

Library News

After the disruption of being packed-up and moved the great new library building is open and we have a library teacher. The library admin system is up and running again and shows there are a lot of books that were borrowed last year and not yet returned (over 500).

Could everyone please check at home for hidden library books: in the library bag hanging on the bedroom door, under the bed, on the bookshelves etc. Please keep books in a waterproof bag when transporting them. A supermarket bag is ideal.

PFC NEWS

Music Bingo—Saturday 5 August

Our fun night out for the parents and friends, while raising a little bit of money at the same time, **MUSIC BINGO**, (it's not trivia) is all planned. You don't need to know all about music you just have to bring your fun pants and be ready to enjoy a good night. It's just like bingo with numbers, but instead we listen to some cool tunes, and if you can work out the song (or ask a friend) and it's on your bingo page, dab it! First to fill their page wins! Easy!

There will be prizes on the night, raffle and some silly games to boot (scoot) - get it, boot scoot...haha.

It will be held at the Research Junior Football Club rooms, who will open the bar for us on the night, so we can all (most of us) enjoy a night out and walk home safely...

Book in your baby sitters now!

Any questions, or for some prize donations please contact Kristy - 0402 467 484
