Student Leadership

Remembrance Day - Saturday 11 November

Our student leaders have been invited to attend the Remembrance Day event at Montmorency Eltham RSL on Saturday 11 November. They will be laying a wreath in remembrance on behalf of Research Primary.

Working Bee—Thank You

Hopefully all of our energetic little ones have been enjoying the refreshed playgrounds this week.

A huge thank you to all the volunteers who took time out of their busy weekends to give some support to our school community.

We had many familiar faces as well as a few new ones. It would be great to see even more new faces at the next working bee next year.

The school council will work on dates for a term 1 - 2024 working bee, however if you would like to be added to the WhatsApp group to provide any suggestions and comments please use the link below or contact me on 0413 340 899. **Jackson**

SPORT TOPS 2024

A note has been sent home to all our year 3—5 students regarding 2024 individual sport tops. These are not compulsory but can be worn for PE lessons at school and Interschool Sports (unless there is a team top) next year.

Orders must be handed in to the office **by Friday 24 November** to ensure delivery in January 2024.

If you have not seen the order form, please contact the school office asap.

3 -6 CAMPASPE DOWN 2023

With great excitement and a sense of adventure, the Year 3 – 6 students headed off to Campaspe Downs – Kyneton. The camp was packed full of amazing learning experiences, adventure, laughter and most importantly - fun! For three whole days the sun shone down as the students participated in activities such as laser tag, canoeing, aero ball, raft building, archery, possum gliding, flying fox and much, much more. The fun challenges helped the students to interact with one another to create new friendships and develop their independence.

A huge thank you to the parent helpers who volunteered their time to assist with the camp and to the R.P.S teaching staff that all contributed to making this year's camp such a great success.

Overall, the camp was a fabulous experience for all. As teachers we were all very proud of the way our students cooperated with each other, took on the challenges, developed their team building skills and problem solved. The students had a fantastic time and learned valuable skills that will benefit them in their future endeavors.

PFC NEWS

Parent and Friends Community – We need you!!!

The PFC at Research Primary School is an incredibly gifted, generous and colligate team that work extremely hard to not only fundraise amazing amounts of money for our school but also to support in things like the uniform shop, canteen, marketing and prep transition to name a few bits and pieces. The team works tirelessly to get the jobs done and quite frankly, we couldn't do it without them. BUT...these super humans get worn out too, and would love a few extra bodies to help out when they are falling short. **PLEASE, come along to our meeting on Monday 13th November, in the staffroom from 6.45-8pm. Little people welcome.**

We look forward to seeing you and hearing your contributions to our 2024 plans.

Thank you

Students Halloween Disco

Thank you to all the helpers, volunteers and supporters of our Student Halloween Disco. It went off with a bang and the students danced the night away to DJ Donato. A huge amount of fun was certainly had.

Mango Time

Orders have been closed and placed with The Mango Fundraiser QLD. A whopping 103 trays have been ordered, our biggest order to date. There are no spare trays this year. We are hoping for delivery early December and once we receive confirmation we will let you know.

Thank you for your support.
