WWCC and Helpers Guidelines

Please remember that **ALL** helpers at school must hold a current working with children's check and have read & signed the helpers guidelines. Signing in and out of school at the office when volunteering is also a **must**.

All visitors must wear a RPS lanyard while they are volunteering. We feel that this is a "quick" way to identify if someone is authorised to be in the school or not and promptly direct them to the office.

IMPORTANT: Students — late arrival or leaving early

Please remember to **always** sign your child into school, at the office. If they are late in the morning and sign them out of school if they are leaving early. Children's attendance is taken from Compass and reported to the Department of Education, which is a legal obligation. Also unexplained absences will show on your child's report. If you have trouble entering an absence on Compass, please either call or email the office and Carol or Jac will be happy to enter the details for you.

Family statements

Family statements of accounts were sent home yesterday, if you have any query on your statement please do not hesitate to contact the office.

Sports News

Soccer Clinics

This term, our Year 1-6 students have been participating in soccer clinics led by a coach from Soccer Australia. The kids are having a fantastic time learning the fundamentals of soccer, including dribbling, passing, and teamwork. The sessions are filled with energy and excitement as students develop their skills and build their love for the game. Each class attends for one hour a week for four weeks.

Excursions News

Year 4 students visit to the kinders

Last Thursday, 6th June, our year 4's had the opportunity to visit Where We Grow (formally Little Scooters) and Research Pre School. They read picture storybooks to the kinder students they had created during wellbeing sessions about challenges young children might face when starting school. In creating their books, they demonstrated their knowledge of identifying challenging situations, emotions, and help-seeking strategies, as well as drafting, publishing, and illustrating their work. They had a fantastic time, and the kinder students were very excited to have them visit.

Prep's Adventure to the shops

What a wonderful experience the preps all had exploring the Research Shops recently. We learnt that everyone's favourite shop...! 'the lolly shop' was actually a Supermarket; that the donut shop had disappeared (shock, horror) and that the pizza and pasta shop were actually the same place plus lots more.

A really big thank you to Claire, Megan, Bec and Aunty Nicholle for helping with our explorations AND a HUGE THANK YOU to Shri and Jess for the exceptionally delicious cookies we enjoyed at Miners Gold as well as to Roxanne and her sister at the Two Sisters fruit shop for the beautiful fruit they shared with us, delicious and sooooo fresh.

What a great adventure!
