WWCC and Helpers Guidelines

Please remember that **ALL** helpers at school must hold a current working with children's check and have read & signed the helpers guidelines. Signing in and out of school at the office when volunteering is also a **must**.

All visitors must wear a RPS lanyard while they are volunteering. We feel that this is a "quick" way to identify if someone is authorised to be in the school or not and promptly direct them to the office.

PE News

Division Athletics

Congratulations to Max, Zuri, Finn H, Mia D, Baxter, Cameron, Cayden, Martin, and Dempsey for representing Research Primary at the Division Athletics Day in Epping last week. You've made both yourselves and our school proud! A special shout-out to Cayden (long jump) and Mia D (100m), who have qualified for regionals.

Best of luck— go get 'em!

Footy Colours Day

It was fantastic to see our students dressed in their favourite footy team colours, marching around our mini oval to their team's theme song. Well done to everyone, and best of luck to those whose teams remain in the finals!

Netball Clinics

Last week, we welcomed Amanda from Warrandyte Netball Club, who ran netball sessions for each class from Years 1 to 6. Warrandyte Netball Club is currently offering NetSetGo for younger students who would like to try netball, and they also run junior teams year-round.

Cricket Clinics

This week, coaches from Research Cricket Club visited and conducted cricket clinics for our Years 1 to 6 students. This summer, the Research Cricket Club will be offering Cricket Blast for younger children, as well as junior teams for older students.

Junior School Swimming

Early next term, our Prep students will attend five swimming sessions at Eltham Swimming School, starting Friday, 11 October. Year 1/2 classes will begin their sessions on Monday, 21 October.

AFL 9s

What an incredible journey for our team! They played through five games at Regionals in trying, windy conditions, to make the grand final, displaying not only their skill but also incredible teamwork, resilience, and sportsmanship. Each game showed how far they've come and how well they've bonded as a unit. While the result didn't go our way in the end, the journey and effort they put in is something to celebrate. Well done, team!

K'gari News

Stay tuned for next terms exciting new K'gari initiative... a chance to celebrate every student and family as well as helping to create 'pathways' of note that will enhance our school ground and assist in protecting our gardens.

Research Primary School Mango Fundraiser

It's mango time again at RPS!!!

We are pleased to confirm that Research Primary will once again be offering families the opportunity to purchase mangoes in 2024 as part of the Mango Fundraiser with each tray sold raising money for our school. The Mango Fundraiser pick and pack trays of fresh delicious Bowen Special (Kensington Pride) mangoes and deliver them directly to us on a date early - mid December (dependent on harvest date).

This year word is that crops are looking good so trays will be back to the usual size at about 7kg (12-20 mangoes) representing great value for money.

Trays will be available for purchase at \$30.50 each (inclusive of trybooking fee).

Orders need to be placed no later than Friday 25th October. If you have any questions please do not hesitate to contact the school office next term (from Monday 7 October) 9437 1917.
