WWCC and Helpers Guidelines

Please remember that **ALL** helpers at school must hold a current working with children's check and have read & signed the helpers guidelines. Signing in and out of school at the office when volunteering is also a **must**.

All visitors must wear a RPS lanyard while they are volunteering. We feel that this is a "quick" way to identify if someone is authorised to be in the school or not and promptly direct them to the office.

Sun Smart School

Research Primary is a Sun Smart School, which mean students must wear a hat when outside (navy wide brim or navy bucket). Please ensure your child brings their hat to school. If you need to purchase a hat they are available from the school office.

Art News

Gang Gang Cockatoo Art Competition

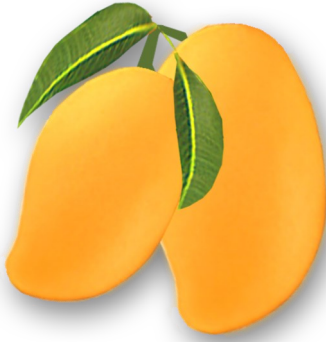

In Term 3, the Year 4-6s participated in an Art Competition which we ran alongside our school's K'Gari project. The subject of the competition was the Gang Gang Cockatoo. The cockatoo is an endangered species that can be found in the Research area, and the school is applying for a grant to plant trees to attract the bird to the school grounds once more. We wanted to include some artwork in the grant, so we ran the competition in the senior year levels. After researching the Gang Gang Cockatoo, the Year 4-6s set about creating their own artwork inspired by the cockatoo. They could use any materials or mediums that they wished to. The artwork they made was incredible and so creative! There were sketches, paintings, drawings, collages, sculptures and dioramas. It was incredibly difficult to select a winner, so the staff voted and we narrowed it down to 3.

Congratulations to Martin, Liepa and Hannah from 5/6W who were our winners, outstanding work! The winning artworks will be on display in the office for the rest of term.
