Working Bee—Sunday 31st August—10am to 12pm

Can you help with our working bee on Sunday week, 31st August?

We plan on a couple of hours of work starting at 10am, with the **goal of prepping our yard so that the students can do some planting as part of the Landcare grant** that we were lucky enough to secure! It will be a great experience for the kids and any help from families at the working bee would be very much appreciated.

Next week we will have an idea of jobs and tools required and will repost on compass but in the meantime, if you can help, even for a short time, please contact **Damian (Ava & Harry's Dad) 0402 917 104**, who will coordinate the helpers and add your name to the WhatsApp group. Let's make our grounds look spectacular for spring.

Community, Confidence, Ambition and Respect.

Students — late arrival or leaving early

Please remember to **always** sign your child into school, at the office, if they are late in the morning and sign them out of school if they are leaving early. Children's attendance is taken from Compass and reported to the Department of Education, which is a legal obligation. Also unexplained absences will show on your child's report. If you have trouble entering an absence on Compass, please either call or email the office and Carol or Jac will be happy to enter the details for you.

Arriving at school

The school yard is not supervised until 8.45am, unless your child is booked in with OSHClub, for safety reasons, please ensure you do not drop your children off too early.

Enrolling with OSHClub is Free and Highly Recommended

We have an awesome OSHClub that runs before school and after school care here at RPS and it's free to enrol. However, you **must** have your children enrolled to attend, even on a casual or last minute basis. If you are running late to collect your child, the school office is happy to look after your child for a few minutes but if you end up being, say over 15 minutes late, you should arrange to have them sent to OSHClub until you arrive. Please check out their website for details www.oshclub.com.au

Thursday 11th September will be our parent student teacher conference day, this is an alteration to the school day and students are only expected to attend their conference.
