Thursday 19th February	Ms Vale 2x students of the week SRC Semester 1 announced

Outstanding Accounts

Statements have been sent home. Please check your child's bag.

Unfortunately there is an outstanding debit of over \$7,000 on family accounts and with the end of year fun activities completed, we would appreciate families bringing their accounts up to date. If you have any questions please do not hesitate to contact the office.

We would also appreciate, if you are leaving Research Primary School at the end of the year, if you could bring your account up to date. Thank you.

Research Primary School — The Update

Community, Confidence, Ambition and Respect.

Parent Payments 2026

Parent Payments 2026 has gone live on Compass and thank you to those families who were quick off the mark and have paid. **We certainly appreciate early payments.** Our preferred way of payment is via compass but if you wish to pay direct deposit then please pay into the school bank account (details to the left) and use your surname and pp2026 as a reference (ie: smithpp2026), another payment option is at the school office via etfpos or credit card.

Stationary bags will be distributed from your child's class teacher once school starts.

GREEN TEAM—RECYCLING

Do you love a refreshing cold beverage over the summer holidays... and somehow end up with a mountain of empty cans, juice boxes and plastic bottles after a trip or party? If so — we've got the perfect way to put them to good use!

We're inviting families to help support our school through our **summer empty cans, juices boxes and plastic bottles collection.**

Simply pop by the office and pick up one of our big, **bright orange bags.** Fill it with your empty drink containers (**not crushed**) over the break. We will advise you how to return them to us once school returns in 2026.

It's an easy way to help the school raise funds *and* helps the planet — one sip at a time!

Thank you for your support!
