

Out of school Care with OSHClub

Research Primary School is proud to partner with OSHClub to provide quality Rise & Shine, After School Care and Holiday Programs for children and families within our school community.
At OSHClub, we believe children should have opportunities to learn, play, create and build meaningful connections outside of school hours.
Our programs include:

- **Rise then Shine** – Before School Care, providing children with a welcoming and engaging start to their school day
- **Stay and Play** – After School Care, offering children a range of fun, child-led activities and opportunities to connect with friends.
- **Holiday HQ** – Our exciting Holiday Program, featuring a variety of experiences, activities, excursions and special events throughout the school holidays.

Our programs are designed to support children's development, wellbeing and individual interests through engaging, child-led experiences. Child safety and inclusion is embedded in our program at OSHClub Research Primary

Operating Hours
