MISSION

Research Primary School's mission is to, 'excite, engage and empower our students to reach their full potential'.

OBJECTIVE

Our school's objectives are considered as part of the 4 yearly strategic planning process and reflected in the goals listed in our current School Strategic Plan (SSP). We also develop an Annual Implementation Plan to operationalise the goals and key improvement strategies contained in our SSP.

VALUES

Research Primary School's values are Respect, Community, Ambition and Confidence.

The following statements have been written by our Year 6 Student Leadership Team.

At RPS, confidence means stepping out of your comfort zone and not being afraid to share your ideas. Just be yourself!

At RPS, ambition means trying our hardest 100% of the time by not giving up, even when challenges arise. We strive to be and do our best every, single day!

At RPS, community means working together as a big group to achieve a shared goal which we can do by listening to each other's ideas!

At RPS, respect means treating other people how we would like to be treated and looking after our own and others property!

BEHAVIOURAL EXPECTATIONS

Research Primary School acknowledges that the behaviour of staff, parents, carers and students has an impact on our school community and culture.

We acknowledge a shared responsibility to create a positive learning environment for the children and young people at our school.

Shared expectations of staff, parents, carers and students to support positive student behaviour are set out in the Respectful, safe, engaged: shared expectations to support student behaviour statement.

Students are also supported by school staff to meet expected standards of behaviour as outlined in our Student Wellbeing and Engagement Policy, Inclusion and Diversity Policy, and Bullying Prevention Policy

Staff must follow our school and department policies and the Victorian Public Service Code of Conduct and Values. Teaching staff also adhere to the Victorian Teaching Profession's Code of Conduct.

Parents and carers play a vital role in helping their child understand and meet shared behaviour expectations. Additionally, information about the expectations of parents and carers to ensure schools remain respectful and inclusive places is outlined in the department's Respectful Behaviours within the School Community Policy.
